This **Financial Services Guide (FSG)** sets out the services that we can offer you. It is designed to assist you in deciding whether to use any of those services and contains important information about:

- the services we offer you.
- how we and others are paid.
- any potential conflict of interest we may have.
- our internal and external dispute resolution procedures and how you can access them.
- arrangements we have in place to compensate clients for losses.

About Us

Roderick Insurance Brokers Pty Ltd (RIB) holds Australian Financial Services Licence No. 246613 under the Corporations Act 2001 to provide general insurance broking services.

We are a well-known and established general insurance broking firm with a reputation for professionalism and a commitment to understanding our client's insurance needs, concerns and issues.

Roderick Insurance Brokers Pty Ltd is committed to the professionalism of our industry and as such we are a member of the National Insurance Brokers Association (NIBA) and the Steadfast Group Limited. We also subscribe to the General Insurance Brokers' Code of Practice.

If you ask us to provide our services to you we will do so on the terms set out in this Guide. Unless you tell us otherwise in writing, we assume that you agree with these terms.

Our Services

At Roderick Insurance Brokers Pty Ltd we pride ourselves on providing our clients quality advice based on your needs and our comprehensive market knowledge.

Our licence authorises us to advise and deal in general insurance products to wholesale and/or retail clients. That means we can advise on and arrange all types of general insurance products for you. We will do this for you as your broker unless we tell you otherwise.

We offer a range of services to assist you to protect your assets. When we act for you these can include:

- Reviewing and advising on your general insurance needs.
- Arranging, varying or renewing general insurance on your behalf
- Assisting you with your claims
- Arranging premium funding, if required.

When we arrange, review, advise, vary insurance or handle a claim for you we are acting on your behalf. In some cases we may be acting on our own behalf (eg as a referrer to another service provider). We will tell you if this is the case.

We have a large range of insurance products available however we do not deal with all insurers and products available on the market.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

FSG version applicable

This FSG applies from 15th February 2022 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

Who is responsible for the financial services provided?

RIB is responsible for the financial services that will be provided to you, or through you to your family members, including the distribution of this FSG. RIB holds a current AFSL Licence no 246613, contact details above.

How you can instruct us

You can provide us with instructions in person, by telephone or in writing via email or post on the contact details above.

Communicating by e-mail or mobile phone text messages (SMS).

E-mail and SMS are a convenient tool for communication however, they do have some limitations. We accept no responsibility if information sent by you to us by email or SMS is incomplete or corrupted. We will also be entitled to act on any instruction from you received by email or SMS which reasonably appears to have been sent by you.

Many contracts of insurance have provisions which require notice in writing in order to ensure compliance. The use of email or SMS in such circumstances may be inappropriate and hard copies of messages may be requested.

The following sets out what services we provide when acting on your behalf (unless agreed otherwise)

Roderick Insurance Brokers Pty Ltd can arrange for the issue, variation and cancellation of general insurance products under RIB's Australian Financial Service Licence. We will do this on your behalf as your broker unless we tell you otherwise. Essentially, this means that you can contact us for advice on, or assistance with:

New Business

Contact us as soon as possible if you need cover for a risk or property that is not insured. If you need immediate cover, we can usually obtain an interim contract of insurance (which is generally valid for a month or less). To arrange this, we will need details of the property or risk and all other relevant information you are required to disclose to an insurer. We may send you a proposal form for completion (we will advise you if this is required). You will need to complete and sign this proposal form and return it to us prior to expiry of the interim cover.

We will send the original contract documents to you as soon as your insurer issues them correctly. As these are legal documents, you should keep them in a safe place.

Renewals

We will give you at least 14 days notice of expiry of any insurance contract we have arranged or last renewed for you.

Unless you tell us otherwise, we will automatically renew your insurance to ensure you continue to be covered. At that time we will send you an offer to renew the insurance policy and invoice you for the cost of renewal. If there is a change to your circumstances or if you want to change the details of the cover, contact us as soon as you receive the renewal offer. This will allow us to assess whether your insurance is still appropriate for your circumstances.

In some circumstances we may be able to arrange for the insurer to cover you temporarily before payment is received, but we cannot guarantee this.

We will also advise you in advance of expiry of any insurance contract should an insurer not wish to offer renewal.

If you arranged or renewed directly with an insurer or through another broker, we will not be responsible for notifying you of expiry or arranging renewal.

Variations/Endorsements

You should carefully monitor and review that your insurance policy is adequate to cover your assets or business activities.

If you want to vary any cover eg: by increasing your sum insured or adding other property, please provide us with details of the changes you require and any other information you need to disclose to the insurer.

We will arrange the variation with the insurer and provide written confirmation when the insurer has accepted the variation to cover. Any adjustment to premium will be advised to you in the form of an invoice.

Claims

When you need to make a claim, we can advise if it is covered under your policy and assist you to prepare and submit the claim to the insurer. If there is uncertainty about whether a claim is covered under your policy we will advise you.

If the insurer appoints a loss adjustor we will, with your permission, pass on your contact details and co-ordinate meetings. For major losses, we can attend the initial meeting with the loss adjustor if you wish us to.

We will promptly forward all claims documentation, insurer settlement cheques and other information to the relevant party.

If any claims are outstanding when you terminate our appointment as your insurance broker we will

- Assist you to negotiate settlement on your behalf but we will charge a claim service fee – fee to be negotiated.

OR

- Provide details of the claim(s) to your new insurance broker so that they may continue to negotiate settlement on your behalf.

Cancellation

We cannot cancel a contract of insurance without written instructions from a person authorised to represent each of the parties who are named as insureds.

If a contract of insurance is cancelled before expiry of the period of insurance we will refund the gross return premium we receive from the insurer. We will not refund any part of the brokerage we receive for arranging the cover and at our discretion we may charge a cancellation fee.

Please note that in the event of a cancellation of a policy before the expiry date some insurers make refunds of premiums based on monthly or quarterly apportionments and there may also be a minimum charge. You may be obliged to pay this firm's commission and other broker's fees.

If premium funding has been arranged, you may also be obliged to pay the interest component for the full year and other charges by the premium funder. Before making any decision to cancel this policy you should consult us concerning the charges involved and commission and fees which may be retained by us.

Will I receive tailored advice?

Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate for your needs, objectives and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decisions about your insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time we give it. We will review your insurance arrangements when you inform us about changes in your circumstances, at the time of any scheduled status review or upon renewal of your insurances.

At renewal we may review your insurance however, in some cases we may automatically renew your insurance to ensure you continue to be covered. This renewal will not take into account any changes to your current financial situation or personal objectives or needs that you have not informed us of.

Personal Advice (retail clients only)

We will provide you with further information whenever we provide you with advice, which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a Statement of Advice (SOA) or on your invoice.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available other than from those insurers that we deal with regularly.

General Advice

Where we provide a "general advice" service we provide general recommendations or opinions to you which are not based on a consideration by us of your personal objectives, financial situation or needs. You should consider whether our general advice is appropriate having regard to those matters and obtain a Product Disclosure Statement for the product before making a decision on whether to acquire it.

Documents we may give you

Statements of Advice (SOA):- comprehensively details the basis for our advice and information on any remuneration, associations or other interests which might reasonably have influenced us in giving our advice.

Product Disclosure Statement (PDS):- If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a PDS, unless you already have an up to date PDS. The PDS is prepared by the insurer and designed to give you important information about the particular policy which will enable you to make an informed decision about purchasing that product.

Confirmation notices:- these will be in the form of invoices and will provide details of transactions we have arranged on your behalf. Confirmation notices may also include personal & general advice.

Before you commit to accepting any recommendations made to you, you should have been provided with a Statement of Advice and/or a Product Disclosure Statement. There are some circumstances in which these documents do not need to be provided.

In cases where we don't give you a record of any personal advice you can ask for a record for up to seven years after the advice is provided by contacting us.

Lack of Independence

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you

We, are not independent, impartial, or unbiased pursuant to section 923A of the Corporations Act because:

We may receive remuneration, commission, or other benefits when we provide personal advice to you in relation to insurance products and other financial products;

We may be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; and/or

We may have associations or relationships with issuers of insurance products and other financial products. Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

Legal Advice

Our duty as a general insurance broker does not extend to giving legal advice. You should consult your solicitor when you need advice on legal matters.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. We will also charge you a broker fee for arranging your insurance. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0% - 30%

P = the amount you pay for any insurance policy (less any government fees or charges included that amount)

Any fees that we charge you will be based upon the type of insurance we arrange. This fee is payable in addition to the premium.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 50% of our commission or fees.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

How our advisers are remunerated

Our employees or advisers are paid as follows:

- annual salary
- performance bonus

The amounts of these payments are determined at the discretion of our managing director where the adviser's performance has been exceptional in enhancing our business by providing excellent service to you.

Referrers

If a person (including our employees or advisers) or entity has referred you to us, we may pay them a percentage of our commission for the first insurance policy placed on your behalf. In some instances referrers receive ongoing commissions. This will not increase the amount you are required to pay for your insurance.

Premium Funding

If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 3% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will be set out in the premium funding contract. Some premium funders may pay us a volume bonus based on the volume of business we place with them.

Please be aware that premium funders do charge you interest for the service. We do not advise or represent that any of the premium funder's products we can provide are the best option for you. We take no responsibility for the products and services that the premium funders provide to you. You will need to make your own decision based on the information they provide you.

Other remuneration paid to us Steadfast Life

Where we refer you to Steadfast Life and you purchase a policy through them, they will pay us a percentage of their commission. The commission varies between 0% – 33%. This does not increase the amount you are required to pay for your insurance with them.

Other benefits

Some of the Insurers that we do business with give us other benefits such as training and social business functions. These benefits change from year to year

Our advisers may from time to time receive small gifts and gratuities. It is our company policy that advisers may not accept gifts or gratuities where the value is greater than \$100 over a six month period from a single supplier. These benefits do not increase the amount you are required to pay for your insurance.

Terms of Payment

Invoices

We will invoice you for the premium, statutory charges (eg stamp duty, fire services levy, GST etc) and any fees we charge for arranging your insurances. You must pay us within 14 days of the date of the invoice or, in the case of a renewal, before the expiry date of the contract of insurance.

If you do not pay the premium on time, the insurer may cancel the contract of insurance and you will not be insured. The insurer may also charge a short term penalty premium for the time on risk.

Important Information

Duty of Disclosure

For Private Motor, Strata, Home, Contents, Travel, Personal Accident/Disablement Policies:

When the insurer asks you questions that are relevant to their decision whether to insure you and the terms on which they will insure you, you are required to tell the insurer about anything you know and that a reasonable person in the circumstances would include in answering their questions. You have this duty until the insurer agrees to insure you. So please ensure the information provided is accurate and complete.

If you don't tell the insurer something you are required to tell them, they may cancel your insurance contract or reduce the amount they will pay you if you make a claim, or both. If your failure to tell them is fraudulent, they may refuse to pay a claim and treat the contract as if it never existed.

All other policies:

Before you enter into an insurance contract, you are required to tell the insurer about anything you know or could be reasonably expected to know that could be relevant to their decision to insure you and on what terms.

You have this duty until they agree to insure you, and before you extend, renew, vary or reinstate an insurance contract. So please ensure the information provided is accurate and complete.

You do not need to tell the insurer anything that:

- Reduces the risk they insure you for; or
- Is common knowledge; or
- The insurer knows or should know as an insurer; or
- The insurer waives your duty to tell them about.

If you do not tell the insurer anything you are required to tell them, they may cancel your contract or reduce the amount they will pay you if you make a claim, or both. If your failure to tell them is fraudulent, they may refuse to pay a claim and treat the contract as if it never existed.

Interests of other Parties.

Many policies exclude cover for an interest in the insured property held by someone other than the named insured, unless that interest is specifically noted on the policy. For example if property is jointly owned, or subject to finance, the interest of the joint owner or financier may be excluded if it is not specifically noted on the policy.

Generally, the safest course is always to have all interests in all property insured noted on each policy. If anyone other than you has an interest in the property you are insuring, please let us know.

Sums Insured – Average and Co-insurance

Some policies contain an Average/Co-insurance clause which means that you must insure for the full insurable value of the property insured. If you under-insure, your claim may be reduced in proportion to the amount of the under-insurance.

A simple example, illustrating the basic principle, application and effect of the Average/Co-insurance clause is as follows:

Full (Replacement) Value of property	\$1,000,000
Sum Insured	\$ 500,000
Therefore you would be self insured for 50% of the full value.	
Amount of Claim	\$ 100,000

Amount payable by Insurers \$ 50,000
as a result of the application of Average/Co-Insurance
(being 50% of the \$100,000)

What information do you maintain in my file and can I examine my file?

We maintain a record of your personal profile including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

If you wish to access your file, please ask us. We will make arrangements for you to do so.

Privacy

Roderick Insurance Brokers Pty Ltd is committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. We have taken the appropriate action to ensure we comply with the Australian Privacy Principles (APP). We use the information you provide to advise about and assist with your insurance needs. We provide your information to insurance companies and agents that provide insurance quotes and offer insurance terms to you or the companies that deal with your insurance claim (such as loss assessors and claims administrators). Your information may be given to an overseas insurer (like Lloyd's of London) if we are seeking insurance terms from an overseas insurer, or to reinsurers who are located overseas. We will try to tell you where those companies are located at the time of advising you. We do not trade, rent or sell your information.

If you don't provide us with full information, we can't properly advise you, seek insurance terms for you, or assist with claims and you could breach your duty of disclosure.

For more information about how to access the personal information we hold about you and how to have the information corrected and how to complain if you think we have breached the privacy laws, ask us for a copy of our Privacy Policy or visit our website www.roderick.com.au.

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

Standard Covers

Insurance laws prescribe minimum standard cover provided by motor vehicle, home buildings, home contents, sickness and accident, consumer credit and travel insurance (including a minimum amount of insurance)

If an insurer wants to offer different cover or less than the minimum amount of insurance, they must clearly inform you in writing that they have done so. They can only do this by providing you with a Product Disclosure Statement or a copy of the insurance policy.

Unusual Terms

If an insurer wants to rely on a term in an insurance policy which is not usually included in policies that provide similar cover, they must clearly inform you in writing of that term. Again, they may do so by providing you with a copy of the insurance policy.

Conflicts of Interest

We take any potential conflicts of interest seriously and have a Conflict of Interest Policy, which our representatives must comply with and you can access by contacting us. Compliance is audited on a regular basis.

Misstatement of Premium

We try to tell you the correct amounts of premium and statutory and other charges that apply to your insurance. In the event that we misstate that amount (either because we have made an unintentional error or because a third party has misstated the amount), we reserve the right to correct the amount. Where permitted by law you shall not hold us responsible for any loss that you may suffer as a result of any such misstatement.

Material Changes

You must also notify your insurer of any significant changes which occur while the policy is on risk or under negotiation. If you do not, your insurances may be inadequate to fully cover you.

Cooling Off Period

You may change your mind about a contract of retail insurance, within 14 days (or longer if the insurer allows it) from the date you receive confirmation of the insurance and 5 days after the insurance policy was arranged (whichever occurs earlier).

You must tell the insurer in writing that you wish to return the insurance policy and have the premium repaid. The insurance policy will be terminated from the time you notify the insurer. The insurer may retain its reasonable administration and transaction costs and a short-term premium.

You cannot return the contract of insurance if it has already expired or if you have made a claim under it.
